Can I make money in real estate foreclosures with no money?

Question by Thomas V: Can I make money in real estate foreclosures with no money?

Somehow online I downloaded a free ebook on real estate. I didn't look at it but I must have gave my phone number because someone left a message saying he can get me started with real estate foreclosures making an average of \$ 15,000 on each home. I don't have any money to invest. Should I look into this opportunity even though I have no money or must I have money for real estate?

Answer by David

Not any more. You could before it all came crashing down. Now too many laws to prevent it.
