**Question by hari k: How to reach and know the modus oprandi of real estate agents from differrent countries?**

Wish everyone a happy and prosperous 2008.

I would like to expand my territory of real estate marketing to other countries.SO,someone guide me with the modus oprandi and the methods employed by different real estate agents all over the world(from countries like US,UK,Australia,Singapore,Malaysia etc.)As well as,Would somene help me to setup an office in those countries to expand our operations?

No. There are enough people in my commonwealth who don't know what they're doing already. Don't need you to muddy the waters with businessmen who'll need a lesson in not only local laws, but federal guidelines as well.

Besides, don't ya know? Real estate in the US is hardly a growth industry right now.
