**Question by Maxood: What is the potential of a real estate business website?**

How one can earn and generate money by running and promoting a real estate business website. What are the ways to make good money out of such a website?

Are there any live examples on the web. Please comment and provide ideas

**Best answer:**

*Answer by tom bailey*

Advertising for other agents and charging a fee.

Advertising for real-estate related services and charging a fee.
