**Question by Anderson: What is the real purpose of the real estate agency?**

What is the real purpose of real estate agencies? In what way these agencies work as a medium between a tenant & the property owner? Why do people deal with agencies while they could just rent their own homes by themselves? Do these agencies take a percentage from the rental after getting control over the property?

**Best answer:**

*Answer by Common Sense*

To sell real estate. What else is there?
