If you have a necessity for exhilaration then Rio de Janeiro is the best place to be. A selected hot spot for travelers, Rio de Janeiro does offer its share of crime although it isn't as bad now as it had been. Take an extra duplicate of your passport together with you and steer clear of being flamboyant

The poverty rate is very high in Rio de Janeiro and so is police corruption. Similarly to other traveler hotspots, there should not be a need to attract attention and be a high roller so keep it simple; it may save you a from a stolen wallet. Be practical; keep your money under wraps.

There's a very fast crowd that moves throughout Rio, try your very best to keep away from what could possibly be drug groups. Numerous young people use drugs, so do not push any buttons if you should confront them. A large portion of the folks live in inadequate communities, better known as Favelas. As with every poverty stricken area, it's not smart to visit if you do not know the community. Nevertheless, if you're renting apartments inside the tourist regions of Copacabana and Ipanema, you will most likely never come across any crime.

With a few of the cops being on the take, it is advisable to avoid police officers especially if you are a vacationer. Way too many people have found themselves in circumstances not of their own creation needing to bribe their way out of trouble. Carry some money, yet not a great deal. You do not want to be harmed simply because you don't have anything might you be approached by a robber.

Crime can happen at any place in the world. In various places the indications are more discreet, so the name of the game is to be alert and to be extra cautious any time you do not know where you are. Dress and act as if you have been in Rio de Janeiro for a long time. Research an area just before you go and if lodging in an apartment, make sure it has a twenty four hour doorman. Rio is a very beautiful and fun place yet at the same moment, you must be watchful.
